Project Return

UI Plan

Interactive Elements:

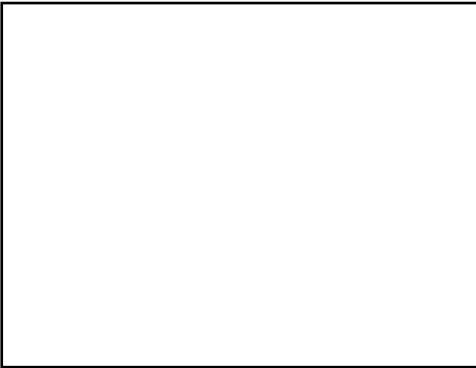

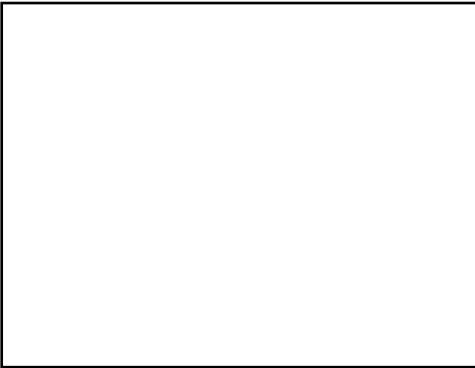

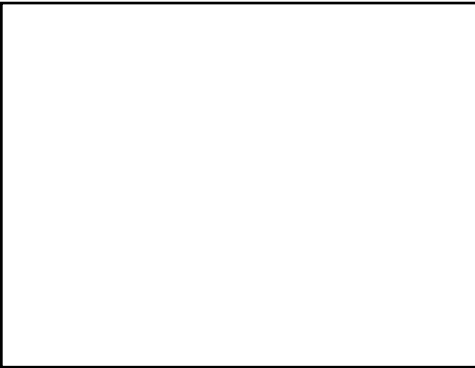

- **Hamburger Menu** (Mobile-width and tablet width only)
The user can expand and collapse the menu to reveal the menu options.
- **Learn More Button**
The button will have an open and close feature. Once the button is clicked it will display information on the services Project Return provides.
- **Accordion**
The accordion will be featured on the “Donate” page. When the user clicks the “Other Ways to Help” accordion it expand with various options for the user to chose from. The “Schedule a Door” option expands to provide further information for scheduling a tour of the facility.
- **Quote API**
The Quote API will be displayed only on the hompage (all widths). The API will display random inspirational quotes when a user clicks the learn more button. .

How You Can Help People Recovering from Mental Illnesses to Live and Work in Our Community

Volunteer and make a difference

Share your hobbies and interests as a guest speaker or a volunteer teacher, or assist with special events. Your talents and commitment make our programs and the lives of our members richer.

Provide in-kind donations of goods and services

to help offset budgeted expenses or enhance existing programs. Please contact Natalie Mitchels, nmitchels@projectreturn.org or (813) 361-7580 for more information if you are interested in making an in-kind donation to benefit our programs.

Participate in our special events

Project Return holds fun and exciting special events throughout the year. You are invited! Your support fuels our programs and empowers our members to become productive and contributing members of our community.

Tell someone you know

Be a natural support at work, in your organization or congregation, and in your neighborhood. Tell others about Project Return and the wonderful successes we've seen our members achieve. Perhaps they too, will want to be part of this success story.
